

## Setting up Application Environment

### Create IBM Cloud Account

**Step 1.** Navigate to [ibm.com/academic](https://ibm.com/academic) and register with your smartinternz mail

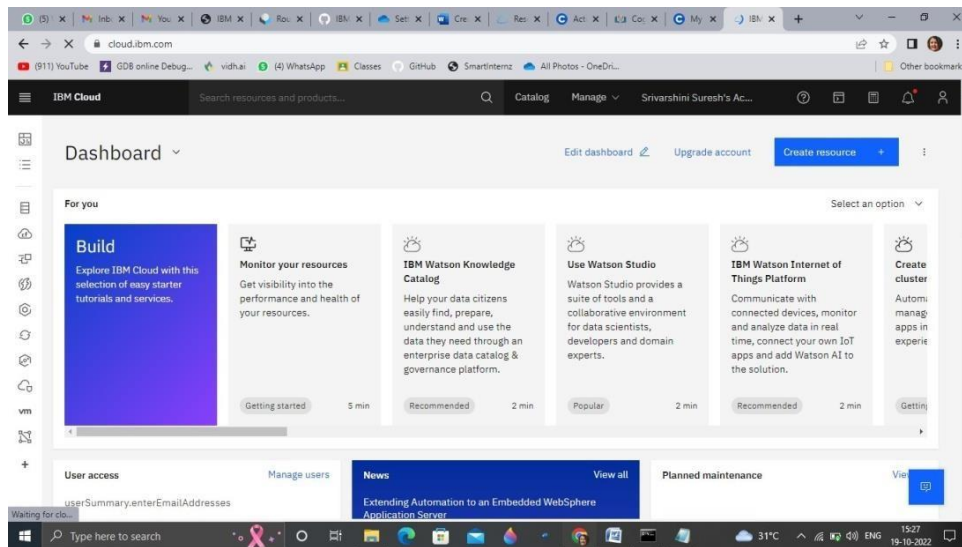

The screenshot shows the IBM SkillsBuild Software Downloads registration page. The left sidebar contains the IBM logo and text about harnessing the power of IBM. The main content area is titled '1. Account information' and includes an 'AutoFill with LinkedIn' button. Below this, there are input fields for 'E-mail' (913119104106@smartinternz.com), 'First name' (Sivashini), 'Last name' (Suresh), 'Password', and 'Country or region of residence' (India). A verification token '4703020' is displayed in a box. The page also includes a 'Resend code' link and a checkbox for 'by email' marketing consent.

**Step 2:** Now goto cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

The screenshot shows the IBM Cloud login page. The header includes the IBM Cloud logo and navigation links for 'Catalog', 'Cost estimator', and 'Docs'. The main content area is titled 'Log in to IBM Cloud' and includes a 'Sign in with' dropdown menu set to 'IBMId'. Below this, there is an input field for the email address 'jusername@example.com' and a 'Continue' button. A 'Forgot ID?' link and a 'Remember ID' checkbox are also visible.

# Efficient water quality analysis and prediction using ML

PNT2022TMID41822

## Output :

Cloud account created successfully.
